Here at The Cupcake Shoppe
weddings are our specialty!

We work with each bride and groom to design a cake fit for your big day. While we specialize in cupcakes and cupcake trees here at the bakery we also offer a selection of traditional stacked wedding cakes and custom designed confections. Design consults and tastings are by appointment only so give us a call to schedule a time to meet one-on-one with our baker to discuss your design ideas.

No event is too large or too small... from grand country club weddings to small sweet backyard parties we can accommodate almost any request! We know how important each and every detail of your wedding is and would love to be a part of

your special day!
